Why Play Softball in the Rec Sports Leagues?

Custom Order Your league

- **Excellent Field Conditions:** **Four Excellent Fields:** Infields are great and the outfields are irrigated daily. **Lights on Two Fields:**
- **Different Divisions for Different Ability Levels:** Leagues are evenly balanced: Check our website on the softball home page for last year's standings. We have recreation and competitive leagues each night.
- **League Tournament:** **Every Team Makes the Playoffs:** Teams are seeded by record. Even the lowest seeded team can win the league. The tournament is played on the same night of the league you play.
- **Choose the Number of Games:** Teams can sign up for 10, 12, 16, 20, 24 or 28 games. Teams that sign up for 16 games will generally play once a week. Teams that sign up for 20 games will play about 4 double headers. Teams that sign up for 24 games will generally play eight double headers. Teams that sign up for 28 games will generally play 12 double headers.
- **Choose the Start Date:** Our league begins in the middle of April. Teams can request a start date as late as the 2nd week of June. Teams can also request start dates at the end of April, first of May, middle of May, or the start of June.
- **Scheduling requests:** We do our best to accommodate scheduling requests including start times.
- **\$75 and \$50 Saturday Tournament Discounts**
- **Online Schedules and Standings**
- **Bats and Softballs:** **Bats:** We allow the same bats that NSA does. This gives players the option to use many quality bats that are not allowed in other area leagues. **Softballs:** We use 44 cor 400 compression softballs. This is a better quality softball than almost all area leagues. Many area leagues use 40 cor, 375 compression softballs that are quite a bit softer.
- **Price Comparison:** 16 games for a price per game that is much less than Grand Rapids.
- **Free Sponsor sign on the fencing:** Sponsors can hang a 4 foot by 8 foot sign at no charge. Signs must be approved by Rec Sports and Westwood Restaurant.
